

DEPARTMENT OF TRANSPORTATION  
PROFESSIONAL SERVICES MANAGEMENT UNIT  
REQUEST FOR LETTERS OF INTEREST

THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION DESIRES TO ENGAGE QUALIFIED PRIVATE CONSULTING FIRMS FOR THE PURPOSE OF PROVIDING BAT SURVEYS AND MONITORING STATEWIDE.

**The qualifications of the primary and/or subconsultant firm(s) shall be determined based on the information contained in the letter of interest.**

The selection of a private consulting firm to bat surveys and monitoring will be handled in accordance with the following process:

1. Submission by the private consulting firm of a Letter of Interest (LOI).
2. Department will short list private consulting firms to a minimum of three firms.
3. Pre-interview meeting and oral interview at the option of the Department.
4. Department will select a private consulting firm to provide the bat services.

**BAT SURVEYS AND MONITORING**

**STATEWIDE**

The bat surveys and monitoring requirements are:

- Must have a federal endangered species permit for working with bats.
- Must have radio-telemetry experience with bats, preferably in mountainous terrain.
- Must have the ability to conduct acoustic monitoring and analyze bat calls.
- Must have experience writing Biological Assessments per Section 7 of the Endangered Species Act.
- Must be able to conduct GIS analysis/create maps.
- Must be able to follow the US Fish and Wildlife Service's Range-wide Indiana Bat Summer Survey Guidelines (last revised May 2013) and Northern Long-eared Bat Interim Conference and Planning Guidance (dated January 6, 2014).
- Must be willing and able to comply with North Carolina's White-nose Syndrome Surveillance and Response Plan, including decontamination of survey gear:  
[http://www.ncwildlife.org/Portals/0/Conserving/documents/WildlifeDiversity/NCWNS\\_Surveillance%20ResponsePlan.pdf](http://www.ncwildlife.org/Portals/0/Conserving/documents/WildlifeDiversity/NCWNS_Surveillance%20ResponsePlan.pdf)
- Must be able to obtain a state Endangered Species Permit and Wildlife Collection License.

Biologists, environmental scientists and/or engineers performing the work and in responsible charge of the work must have a good ethical and professional standing in the State of North Carolina. Firms which are not providing engineering services need not be registered with the North Carolina Board of Examiners for Engineers and Surveyors. Some of the services being solicited will not require a license. It is the responsibility of each firm to adhere to all the laws of the State of North Carolina.

This will be an open-ended contract. The method of payment will be on a cost plus or lump sum basis. The work will be performed on various projects throughout the State and will be identified on an as needed basis; the same degree of assistance will not be required on all projects. The duration of the contract will be for two (2) years.

Any firm wishing to be considered must be properly registered with the Office of the Secretary of State. It will be the responsibility of the selected private firm to verify the registration of any corporate subsidiary or subcontractor prior to submitting a Letter of Interest. The firm must have the financial ability to undertake the work and assume the liability. The selected firm(s) will be required to furnish proof of Professional Liability insurance coverage in the minimum amount of \$1,000,000.(if required). The firm(s) must have an adequate accounting system to identify costs chargeable to the project.

## SMALL PROFESSIONAL SERVICE FIRM (SPSF) PARTICIPATION

The Department encourages the use of Small Professional Services Firms (SPSF). Small businesses determined to be eligible for participation in the SPSF program are those meeting size standards defined by Small Business Administration (SBA) regulations, 13 CFR Part 121 in Sector 54 under the North American Industrial Classification System (NAICS). The SPSF program is a race, ethnicity, and gender neutral program designed to increase the availability of contracting opportunities for small businesses on federal, state or locally funded contracts. SPSF participation is not contingent upon the funding source.

The Firm, at the time the Letter of Interest is submitted, shall submit a listing of all known SPSF firms that will participate in the performance of the identified work. The participation shall be submitted on the Department's Subconsultant Form RS-2. RS-2 forms may be accessed on the website at <https://apps.dot.state.nc.us/quickfind/forms/Default.aspx>.

The SPSF must be qualified with the Department to perform the work for which they are listed.

Real-time information about firms doing business with the Department and firms that are SPSF certified through the Contractual Services Unit is available in the Directory of Transportation Firms. The Directory can be accessed by the link on the Department's homepage or by entering <https://apps.dot.state.nc.us/vendor/directory/> in the address bar of your web browser.

The listing of an individual firm in the Department's directory shall not be construed as an endorsement of the firm.

## PREQUALIFICATION

The Department maintains on file the qualifications and key personnel for each approved discipline, as well as any required samples of work. Each year on the anniversary date of the company, the firm shall renew their prequalified disciplines. If your firm has not renewed its application as required by your anniversary date or if your firm is not currently prequalified, please submit an application to the Department **prior** to submittal of your letter of interest. An application may be accessed at <https://apps03.dot.state.nc.us/vendor/prequal>. Having this data on file with the Department eliminates the need to resubmit this data with each letter of interest.

Even though specific DBE/MBE/WBE goals are not required for this project, the Department of Transportation is committed to providing opportunity for small and disadvantaged businesses to perform on its contracts through established Department goals. The Firm, subconsultant and subfirm shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract.

## EVALUATION

All qualified firms who submit responsive letters of interest will be considered.

The evaluation of firms submitting letters of interest for this project will be based on the following considerations and their respective weights:

1. The firm/team's directly related experience in bat surveys and monitoring and;  
50%
2. The firms' experience and staff (including subconsultants) to perform the type of work required.  
50%

North Carolina firms qualified to do the required work will be given priority consideration. A North Carolina firm is a firm that maintains an office in North Carolina staffed with an adequate number of employees judged by the Department to be capable of performing a majority of the work required.

After reviewing qualifications, if firms are equal on the evaluation review, then those qualified firms with proposed SPSF participation will be given priority consideration.

## FORMAT FOR SUBMISSION OF A PROFESSIONAL SERVICES MANAGEMENT UNIT LETTER OF INTEREST

All letters of interest are limited to fifteen (15) pages (RS-2 forms are not included in the page count) inclusive of the cover sheet, and shall be typed on 8 1/2" x 11" sheets, single spaced, one sided. ONLY ELECTRONIC LETTERS OF INTEREST WILL BE ACCEPTED. Letters of interest containing more than fifteen (15) pages will not be considered.
